My name is Steve Blaskovich and I have been in the exterior remodeling industry for 26 years. My time working in manufacturing, building materials distribution, and as a general contractor, has prepared me to be your go-to roofing and siding expert.

This experience in the exterior building materials industry has helped me develop a process that maximizes customer service, project planning, seamless production, and your insured's experience from start to finish. I believe in only using the best practices during my installations and using the highest quality materials. Your customers will be communicated with about the insurance process and I'll make sure they are involved in their project and that a timeline will be adhered to. Treating your customers with respect is what you can rely on from HomeShield Roofing and Exteriors.

As a fellow homeowner and resident of our community, I strive to do my job and live my life simultaneously. My wife and I have been married for 26 years and we live in Elkhorn with our two dogs Ringo Star and Eddie Van Halen. We love the Beatles and I grew up with 80's rock. Maintaining a healthy work/life balance is one of the keys to my success as your "go-to" roofing and siding expert. When I am not working I love walking my dogs, playing tennis and golf, coffee with my wife, family outings, and cooking great food at home.

Please feel free to contact me with any questions. I look forward to being of service to you and your clients!
